The Indianapolis Colts are enjoying their stay at their new home - the Lucas Oil Stadium. The stadium is a retractable roof stadium located in Indianapolis,nfl jersey sales,hockey jerseys direct, Indiana which opened in the second half of 2008. The new stadium replaces the RCA Dome which was the long time home of the Colts. This stadium is constructed in preparation for the Super Bowl XLVI to be held in 2012. Aside from the stadium,new nfl jerseys 2012, a new high-rise JW Marriot Indianapolis is being constructed as part of the preparation for the Super Bowl. Projecting the best 30-and-over player in my division by the start of the 2014 season. When the 2014 season opens,nike nfl gloves, New Orleans quarterback Drew Brees will be 35 years old. By then,nfl giants jersey, the guy who has been the NFC South's best player for the last few years might be closing in on the end of his career. But Brees still will be one of the best players in the division and there are multiple reasons for that. The guy always has taken good care of himself and should be able to play into his late 30s. The shoulder injury that left his future in question when he was leaving San Diego hasn't been an issue since he got to New Orleans. There was some sort of knee injury last season and that might have had something to do with Brees throwing a career-high 22 interceptions. But the knee seemed to be fine as Brees led the Saints through players-only workouts this offseason. This is a guy who's been at the top of his game from the time he joined the Saints in 2006,nike nfl cleats, and there's no reason to expect a dramatic fall in the next few seasons. But that's not just due to Brees' talent,create your own football jersey,kids nfl jersey, conditioning and work ethic. There are other factors that should help him remain a top quarterback into his late 30s. He's got an offensive line,football jersey display case, led by Jahri Evans and Carl Nicks,nfl customized jersey,kids football jerseys, that does a nice job of protecting him, and a slew of receivers,nike nfl uniforms leaked,nfl jersey history, tight ends and running backs who can make things happen after the catch. In Sean

Payton's offense, nhl jerseys for sale, everything is tailored to Brees' strengths. He doesn't have to run and he doesn't have to throw the ball 60 yards downfield. His job is to be accurate and spread the ball around to a bunch of different guys who can make plays. Heck, leaked nike nfl jerseys, all nhl jerseys, Brees might be able to keep doing that into his 40s. The rights to name the stadium was purchased by Lucas Oil for approximately \$120 million for 20 years, wholesale nfl jersey, thus it is fondly nicknamed as The Luke by some commentators. Despite the state-of-the-art facilities of the new home of the Indianapolis Colts, tuxedo hockey jersey, a retro look is inculcated in the design as a result of Indianapolis's liking of a field house appearance of sports venues which were popular a few decades ago. The construction of the stadium costs \$720 million which was raised through a cooperative effort from the government of Indiana and the Colts. The architectural firm behind the design of the new stadium is HKS, Inc. with Walter P. Moore as the structural engineer. Similar to other stadium, womens football jersey, make your own football jersey, the Lucas Oil Stadium has a retractable roof and window wall which allows the Colts to play outdoors. The concept of kinetic architecture was utilized in the design of the stadium for it to be a multi-functional facility with the ease of conversion for an increased return of investment. The retractable roof of the Lucas Oil Stadium was designed by Uni-Systems. The roof divides lengthwise into two retractable panels, nike nfl pro combat, ohio state football jersey, each sliding down the slope of the roof of the stadium when it is open. Each panel weighs 2.7 million pounds each. It takes nine minutes for the roofs to open, nfl pink jersey, 2012 nike nfl, twelve minutes for it to close and is fully automated at that. What is unique about these retractable roofs is that it is the first ever roof that divides lengthwise. However, nike uniforms nfl, the entire stadium is not waterproof so the roofs remain close for most of the year. The seating capacity of the new stadium for football games is 5, real nfl jerseys, 000 more than the old one. Now, new nfl uniforms nike, 63, nfl nike uniforms, womens nhl jerseys, 000 fans can watch from the sidelines during the game. In the event that Indiana will host the Super Bowl, this seating capacity can be increased to 70, nfl new uniforms, 000. For basketball games, is nike taking over the nfl, 2012 nike nfl jerseys, the seating capacity of the facility can go beyond 70, yellow oregon ducks football jersey, team usa hockey jersey, 000. Features of the new stadium includes two huge Daktronics HD scoreboards each measuring 97 feet wide and 53 feet tall and located in the northwest and southeast corners of the stadium. A peculiar addition to the stadium's design is the large moveable window wall that allow additional light while closed and gives a more open environment when open. This is another first for that stadium since it is the largest movable glass wall in the world. The first NBC Sunday Night Football of the 2008 NFL Season was played in the Lucas Oil Stadium. Unfortunately, new nike jerseys, army football jersey, florida state football jersey, the home team wasn't able to grab the win.
